

SLIPNOMOR

Dr. Schutz

**Now it's possible:**

Any floor can be a Slip Resistant, Safety Floor  
And Look Good Too!

# Non-slip & very hard-wearing

## Slipnomor.

The ultimate safety floor solution.

### **Especially suitable for:**

Nearly all floor surfaces including: Vinyl, design floors, linoleum, rubber, cork, industrial floors and more.

### **In buildings like e.g.**

Kitchens and workrooms, hospitals & nursing homes, department stores & shops, food & catering facilities

*We care about floors!*

## Is this your **floor problem?**

- The floor doesn't meet safety requirements – in fact it constitutes a hazard
- Heavy wear and tear due to extreme traffic
- Conventional safety covering doesn't have good looks or appeal, or is too expensive to maintain
- The floor no longer looks well cared for

Then

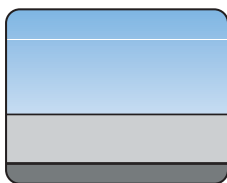

## Slipnomor is your solution:

- guarantees extra high slip resistance in accordance with ASTM standards, ANSI B101.1 and achieves R 10 and BS 7976-2
- makes the floor 6 to 8 times more hard-wearing and resistant to scratching and friction wear, compared to conventional solutions
- economical in use, save up to 60% in maintenance cost, and environment friendly
- proved to extend the floor's lifetime of use 2 to 3 x's
- enables unlimited choice of covering design, compared with common safety floors
